Wherever you are on your financial journey, we're here to give you advice you can depend on.

Our services are comprehensive, which means your adviser can offer you professional advice across all the stages of your financial life.

You can choose to receive some or all of these services at any time. This document explains what you can expect from these services and the associated fees.

Mortgages

We offer a mortgage advice service on both residential and buy to let mortgages. As part of this service, we will make a recommendation once we have assessed your needs.

We recommend products from a range of lenders that is representative of the whole of market, however we do not consider mortgage products that you can only obtain by going directly to a lender

We do not provide advice on second charge mortgages, commercial mortgages, or bridging loans. If you need advice on these types of loan, we can refer you to a specialist broker.

Full details of any commission we receive will be set out in the mortgage illustration document (issued by the lender) before you take out a mortgage. This illustration will also tell you about any other fees relating to the mortgage.

The fees for our mortgage advice service are as follows:

- **Home buyers/home movers:** we will charge a fee of £495.00, payable upon receipt of your application of your mortgage
- **Buy to let purchase:** we will charge a fee of £495.00, payable upon receipt of your application of your mortgage
- **Residential remortgage:** We will charge a fee of £495.00 payable upon application of your mortgage
- **Buy to let remortgage:** We will charge a fee of £495.00, payable upon receipt of your application of your mortgage
- **Product transfers:** We will charge a fee of £195.00, upon receipt of your application of your mortgage
- **Adverse credit:** If you have recently experienced issues with credit, we will charge a fee of £595.00, payable upon receipt of your application of your mortgage

Complex lending

We reserve the right to charge an additional fee of £595.00 for cases where it involves more complexity due to topics such as:

- Multiple borrowers / guarantors.
- Your personal situation regarding income sources, taxation and residence.
- Property types, for example (HMO's), multi units, portfolio landlords, location, freehold or leasehold variations.

In addition to the above fees, we will also receive a commission from the lender. You will receive a mortgage illustration when considering a particular mortgage, which tells you the actual amount of the fees and commission we will receive, as well as details of any other fees relating to the mortgage.

If we are unable to advise on an appropriate product for you, we may refer you to a third party (such as a specialist broker) which may pay us a fee for the introduction. In these circumstances, either we or the third party will tell you about any fees we receive for the introduction.

We may contact you from time to time to discuss your future mortgage planning needs, for example, when the initial term on your mortgage is due to end.

Insurance

Insurance is an important part of many people's financial plans, either to ensure their family is financially protected, to ensure they would have the funds to pay a loan such as a mortgage if the worst were to happen, to protect key people within a business, or to pay an inheritance tax bill. We will make a recommendation on what insurance services would be suitable for you after we have assessed your needs.

We offer life, critical illness, income protection and whole of life products from a range of insurers.

We offer private medical insurance based on a fair analysis of the market.

We may refer you to Bluestone Insurance specialist lender for insurance. They will provide their own documents confirming their terms, service, and what you can expect. We are not responsible for any advice they give you and any complaints would be covered by the firm's own complaints procedure. We will receive a share of commission for these referrals.

We offer buildings and contents insurance, landlord's buildings and contents insurance, and personal accident and sickness insurance from Paymentsshield. Paymentsshield uses a limited panel of underlying insurers to provide its products. A list of the underlying insurers used by Paymentsshield is available upon request.

Full details of any commission we receive from the product provider will be set out in your illustration document issued by the product provider before you purchase an insurance policy.

You will not pay us a fee for any insurance advice we provide you with. Instead, we will be paid a commission from the product provider.

We act as an insurance intermediary for the insurance services that we offer.

We may contact you from time to time to establish whether your protection plans remain appropriate for your needs.
